Door To Door Dial-a-Ride Services 2023

Do you have difficulty using public transport? Is this due to a lack of public transport in your area, or a health problem or disability that affects your ability to walk or get around? We run bookable, door-to-door bus services that you can use for shopping, attending appointments, socialising etc.

You can use our Dial-a-Rides by becoming a member, which costs just £7.00 per year. We can post you a membership form or you can download one from our website or pick one up on the bus.

How does Dial-a-Ride work?

To book a seat on a Dial-a-Ride service, simply ring us on 01434 600599 by midday on the working day before you wish to travel.

For example, ring by Tuesday morning to book a seat for Wednesday, or Friday morning to book for Monday.

This leaflet shows the days, times and fares for all of the Dial-a-Ride services we run in Northumberland, and indicates where concessionary bus passes can be used.
